Taipei - AUG 15<sup>th</sup>, 2014

## China Ports Terminal Handling Charge Adjustment

**Scope: All China inbound & outbound laden shipments**

In view of the increase of stevedore cost, CNC will adjust the Terminal Handling Charge (THC) in China.

The new tariff will be adjusted as follows:

■ Quantum:

**RMB 820/1230/1230 per 20'/40'/HQ** for GP containers

**RMB 900/1400 per 20'/40'** for Reefer containers

**RMB 900/1400 per 20'/40'** for Open Top & Flat Rack

■ Effective date: **SEP 1<sup>st</sup>, 2014** (On Board Date)

■ Payment Term: To be collected in China

We thank you for your understanding and support.
